RE: AMENDMENT #15-08 TO THE 2015 FEDERAL TRANSPORTATION
IMPROVEMENT PROGRAM (FTIP)

Dear Mr. De Terra: *Bruce*

Under authority granted to me by the Southern California Association of Governments (SCAG) Regional Council, I hereby approve and transmit amendment #15-08 for a project in Los Angeles County. Included in this amendment package is a narrative describing the project being amended, a project listing report, and a financial plan.

This amendment:

- Is consistent with the amended 2012 Regional Transportation Plan/Sustainable Communities Strategy (2012-2035 RTP/SCS);
- Does not affect the regional emissions analysis of the FTIP;
- Does not affect the timely implementation of the Transportation Control Measures; and
- Does not adversely impact financial constraint.

Furthermore, SCAG through its function as the designated Metropolitan Planning Organization (MPO) has found the attached projects to conform to the applicable State Implementation Plan.

In addition, SCAG has completed the interagency consultation and the public participation process for this amendment on June 10, 2015.
